Hover Status

COIN IMAGE

Coin images make a vertical oscillating movement. Four coins must not move at the same time.

SHINING STAR

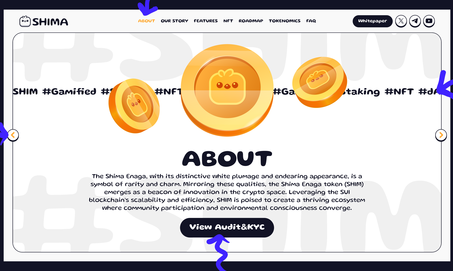
The shining star rotates continuously around its axis at a moderate speed.

NAVBAR

Selected menu page colour

When the cursor hovers over the button, the button colour changes to orange.

Active page colour



When the cursor hovers over the button, the icon colour changes to #121325.

#SHIM #Gamified #Staking #NFT #dApps

Labels slide behind the image in the form of a loop

Redirects to the whitepaper.
